Packing Materials

Packing

Besides foam wrap, edge pads, corner pads, suspension systems, Styrofoam slabs, wood framing, wood crating, and custom cartons, Ampac stocks dozens of standard boxes based on years of industry experience. We pack to get it where you need it without damages or claims, and we stand behind our work.

Not everyone packs.

We're Ampac (Get it?)

Shipping

What do you need and when do you need it?

Ampac packs your shipment securely, as needed, for expedited air, ground, express and furniture carriers, dispatches with multiple blanket-wrap and white glove partners, loads full trucks and containers, and organizes unique consolidations domestically and globally.
